

NOTICE OF DEFENDANT'S ELECTRONIC APPEARANCE

COMES NOW, Defendant \_\_\_\_\_, and files this Notice of Electronic Appearance. By filing this Notice, I am indicating that I understand the following:

- Virtual appearance is only available for certain types of court dates, including Arraignments and Pretrials. I must appear in person for Sentencing, Docket Call, Jury Selection, and Jury Trial.
- These court proceedings are being recorded and any communications I have with my attorney on this electronic platform before, during, or after the court proceeding are not private or confidential.
- All rules of courtroom civility and decorum apply to remote appearances, including dress code. Any actions that occur in this hearing are subject to all applicable rules, statutes and laws and are enforceable in the same manner as if I was physically present in the courtroom.
- I have installed the Zoom software, practiced using it, and am comfortable using it.
- My case may be called **after** those physically present in the courtroom.
- There will not be a judicial assistant to assist me with electronic issues once court starts. It is **MY** responsibility to ensure my appearance for my court date.
- If I am not connected to Zoom at the time the Court calls my case, or if I have insufficient audio or video quality to participate in the hearing, **the Court may consider this a failure to appear and issue a warrant for my arrest.**
- These court proceedings may not be photographed, recorded or broadcast except by the court reporter or as otherwise authorized by the presiding judge. Violation of this rule may result in contempt of court, including monetary sanctions or jail time.
- This form **must** be turned into the Flagler County Clerk of Court or emailed to Judicial Assistant, Brittany Jones. [Bjones@circuit7.org](mailto:Bjones@circuit7.org)
